

**Office of Solid Waste Reduction and Recycling
2018-19 Recycling Education Mini-Grants
Request for Proposals**

The Recycling Education Grant is a competitive grant program that allocates grant funds to public school districts, public schools, and private schools within South Carolina. Funds may be used towards the purchase of materials to support school recycling, composting, waste reduction activities, or for costs associated with field trips designed to improve student understanding of waste reduction and recycling issues. These funds are classified as state fee funds.

Submittal Instructions and Application Guidelines

1. Schools may request a maximum of \$1,500.00.
2. Grant applications must be received by the office no later than **September 30, 2018**. Only one recycling education grant application per school will be accepted.

GRANT GUIDELINES

Eligibility: South Carolina public and private schools, or public school districts may apply for grant funding.

Review and Award Process: Grant applications will be accepted until **September 30, 2018**. The grant cycle will run from the date of the last signature on the grant agreement until May 31, 2019. Priority will be given to schools that did not receive a grant from the Office during the 2017-2018 school year.

Budget: Each school may apply for a maximum of **\$1,500.00**. Payments to public schools will be made to the school district.

Allowable Budget Items:

Recycling Containers and Supplies: Materials used to facilitate recycling in the cafeteria, classrooms, school grounds, or common areas. This includes bins or carts used to collect recyclable materials. Other equipment may be purchased to assist or promote the recycling program. Recurring costs (i.e., contractual expenses, leases) may be allowed for the first year of an ongoing project.

Share Table Equipment and Supplies: Allowable items may include tables, refrigerator, bins, and other related supplies.

Stadium Recycling “Twin-the Bin” Containers: Containers to provide recycling for plastic bottles and aluminum cans alongside trash receptacles at district-owned sports complexes. May be dual trash/recyclables receptacle systems, or recycling bins to be placed immediately adjacent to existing trash containers.

Composting Supplies: Expenses related to composting, vermi-composting, and food waste diversion may be requested. Recurring costs (i.e., contractual expenses, leases) will be considered only for the first year of an ongoing project. Applicants may request trees, flowers, seeds, shrubs, etc. in conjunction with a composting project, but plant costs cannot exceed \$50 of the proposed budget.

Recycling Related Field Trips: This may include the costs for buses, bus drivers, substitute teachers, food, and admission fees.

Other: Other items directly related to recycling and/or composting may be requested but must be thoroughly described and explained in the application.

Method of Payment: Payment will be made to the public school district or private school upon execution of the signed grant agreement. Unexpended funds must be returned to the Office at the end of the grant period, but grantees are encouraged to expend all funds as needed to support their project.

Final Progress and Budget Report: All grantees must submit copies of invoices, receipts, purchase orders or cancelled checks along with a completed final report form. Each grantee will be required to submit a minimum of ten pictures, ten power-point slides, or a two-minute video showing their progress throughout the grant cycle. Expenditures must match the budget detailed in the grant agreement. Failure to comply with the terms of the grant agreement may result in a request for repayment of grant funds to the DHEC.

NOTE: *This offering does not commit DHEC to award a grant, to pay any cost incurred in the preparation of the application, or to procure or contract for articles of goods or services. DHEC reserves the right to accept or reject any or all applications received as a result of this offering, or to cancel in part or in its entirety this offering if it is in the best interest of the State to do so.*
